Sizing Note: Please bear in mind that our cycling bib shorts are European fit but still very comfortable for all body shapes and sizes. If you prefer to wear a looser feel or if you are in doubt about your size we recommend you go up a size.

Sizing Example: A client with 80cm waist and 100cm hips was borderline between M and L sizing. Both cycling bib shorts sizes fit ok but the client was happy she decided to go up a size to L as they were a very comfortable choice.
